The SALADA

Bathed in terracotta hues or wrapped in warm Provençal style, the two rooms of the Salada Suite open onto a delightful sun-soaked terrace, where cosy loungers and a space to practice yoga await. Whether under star-studded skies or in the romantic interiors, guests enjoy the ultimate relaxation.

Salada

Featuring a rustic ensuite bathroom with a walk-in shower and traditional wooden beams, Salada blends a luxurious queen-size four-poster bed with fabulous sea and rural views from the spacious terrace. Washed in earthen terracotta and blue hues, a sense of peace and relaxation pervades.

Conta

Set up a short staircase, this pastel-infused hideaway is home to a romantic queen-size double bed set in a cosy alcove, a second single bed, a large ensuite and a spacious balcony. With space for three to sleep in style, riveting island views are guaranteed.

Illustrating Ibicencan culture through the ages, Sa Caleta's simple rural charm is given a splash of intrigue with Phoenician artefacts and curious decor. A queen-sized bed is housed on the site of the traditional oven, while a rustic bathroom and shower offers complete privacy.

What's in a name?

Can Verru is said to have taken its name from the traditional Ibicencan *es verro*, the person who would perform *el crit d'uc*, an ancient cry used to communicate with distant neighbours and friends from other fincas.

EVENTS

Share sundowners on the terrace, cocktails by the pool, and craft memories to last a lifetime at Can Verru, the perfect venue for a special day.

A selection of three kitchens, a stylish BBQ area and multiple outdoor seating areas offer the freedom to relax, while private chefs and other additional services can be arranged for those who wish.
